Welcome to ASSIST

ASSIST is an online student-transfer information system that shows how course credits earned at one public California college or university can be applied when transferred to another. ASSIST is the official repository of articulation for California’s public colleges and universities and provides the most accurate and up-to-date information about student transfer in California.

There are two ways to look up information in ASSIST.

Explore Transfer Information

If you have already chosen a major or know what kind of information you want to see, select the transfer information you want to display by choosing an institution below. You can select the institution you are transferring from or to.

Click here to select an institution

Step 3
Select Sonoma State University as one of the “Agreements with Other Campuses”
Step 4

You can select by “Major” or “Department”

Step 5

The courses from Santa Rosa JC will show what it is equivalent to at Sonoma State. Ex. Math 9 at the Santa Rosa JC is equivalent to Math 131 at Sonoma State.

*For courses that say “No Current Articulation”, there is NO course equivalent to either Sonoma State or the JC.
