Student Peer Advising How-To's:

Using Beginning Registration Strategies

---

**Step 1**

Log into your MySSU

---

**Step 2**

Click on Student Center

---

**Step 3**

Click on Class Search
Step 4
Select the appropriate semester and year. Then, enter the subject and course number if you need it. If you are taking a course for the general education (GE) pattern, you can select “General Education” in the course attribute drop-down menu.

Step 5
Check the status of the class and then click on the class section.
Step 6
Make sure to double check the unit total, enrollment information, and the class description before selecting the course.

**CHEM 335A - 101 Organic Chemistry**
Sonoma State University | Summer 2017 | Lecture

**Class Details**
- **Status**: Open
- **Class Number**: 1083
- **Session**: Four Week - First
- **Units**: 3 units
- **Class Components**: Lecture Required

**Meeting Information**
- **Days & Times**: MoTuWeTh 9:00AM - 11:50AM
- **Room**: Charles Darwin Hall 37
- **Instructor**: Steven Farmer
- **Meeting Dates**: 05/30/2017 - 06/22/2017

**Enrollment Information**
- **Enrollment Requirements**: Prerequisite: CHEM 115B or CHEM 125A (with department consent) or consent of instructor

**Class Availability**
- **Class Capacity**: 20
- **Enrollment Total**: 18
- **Wait List Capacity**: 999
- **Wait List Total**: 0
- **Available Seats**: 2

**Description**
Lecture, 3 hours. A study of the fundamental principles of organic chemistry including bonding, electrophilicity, nucleophilicity, and molecular shapes and geometry for organic compounds. Applies these concepts to the study of the properties, syntheses, and reactions of major classes of organic compounds. A special emphasis is given to reaction mechanisms. Prerequisite: CHEM 115B or CHEM 125A (with department consent), or consent of instructor.
Step 7
You can select the “wait list if class is full” option if the status is waitlisted; the grading option can also be changed between graded and credit/no credit. After changing these option, click select and the class will be sent to your shopping cart. The shopping cart can be accessed via the enroll tab at the top.
Step 8

Once you are on the Shopping Cart page, click on “proceed to Step 2 of 3”. Then click on finish enrolling to enroll in the course.

Step 9

A class that you are enrolled in may be swapped with a class you are on the waitlist for with the swap function under the enroll tab.
Step 10

A class that you are enrolled in may be dropped using the drop function under the enroll tab.

Step 11

Once you are enrolled and have completed classes for the semester, you may access your Academic Requirements Report (ARR). The ARR outlines all the classes you have completed, are currently completing, and have yet to complete based on your GE and major requirements.
