Members

Indemnification.

To the fullest extent permitted by law, this corporation will indemnify its directors, officers, employees, and other persons described in Corporations Code section 5238(a), including persons formerly occupying any such positions, against all expenses, judgments, fines, settlements, and other amounts actually and reasonably incurred by them in connection with any “proceeding,” as that term is used in that section, and including an action by or in the right of the Corporation, by reason of the fact that the person is or was a person described in that section. “Expenses,” as used in this bylaw, shall have the same meaning as in that section of the Corporation Code.

On written request to the Board by any person seeking indemnification under Corporations Code section 5238(b) or 5238(c), the Board shall promptly decide under Corporations Code section 5238(e) whether the applicable standard of conduct set forth in Corporations Code 5238(b) or 5238(c) has been met. If so, the Board shall authorize indemnification.

If the Board cannot authorize indemnification, because the number of directors who are parties to the proceeding with respect to which indemnification is sought prevents the formation of a quorum of directors who are not parties to that proceeding, the Board shall promptly call a meeting of members. At that meeting, the members shall determine under Corporations Code section 5238(e) whether the applicable standard of conduct has been met and, if so, the members present at the meeting in person or by proxy shall authorize indemnification.
If the members cannot authorize indemnification, because under Corporations Code section 5238(e) and 5034 the number of members who are parties to the proceeding with respect to which indemnification is sought prevents the formation of a quorum of members who are not parties to the proceedings, indemnification may only be authorized under Corporations Code section 5238(e) by the court in which the proceeding with respect to which indemnification is or was pending, upon application made by the Corporation or the agent or the attorney or other person rendering services in connection with the defense, whether or not such application by the agent, attorney or other person is opposed by the Corporation. Upon such application, the court will determine whether the applicable standard of care was met.

To the fullest extent permitted by law and except as otherwise determined by the Board in a specific instance, expenses incurred by a person seeking indemnification under this Section of these bylaws in defending any proceeding covered by this Section shall be advanced by the Corporation before final disposition of the proceeding, on receipt by the Corporation of an undertaking by or on behalf of that person that the advance will be repaid unless it is ultimately found that the person is entitled to be indemnified by the Corporation for those expenses.

Article VIII
