MINUTES – September 21, 2007

I. Call to order. Dr. Armiñana determined that a quorum was present
(Refer to Record of Attendance for September 21, 2007)

- Approval of the June 15, 2007 Board Minutes
  - Approved unanimously.

- Board of Director’s Current Membership:
  - An updated membership list for 2007/2008 was provided in the
    packet. Dr. Armiñana welcomed three new members to the Board
    of Directors:
      - Ms. Patricia McNeill – Vice President for Development
      - Mr. Dan Condon – Vice President for University Affairs
      - Dr. Saied Rahimi – Dean, School of Science and Technology

- University Update. Dr. Armiñana provided the following comments:
  - SSU now has approximately 8,400 students, including the largest
    Freshmen class ever of 1,700 students.
  - SSU currently houses about one third of all students and almost
    the entire Freshmen class. In the early Spring, an additional 700
    bed housing complex, named Tuscany, will begin construction.
  - This month, the CSU Board of Trustees approved the naming of
    the Green Music Center recital hall as “Schroeder’s Recital Hall”
    after the Peanuts character, in recognition of donations made by
    Jean Schulz.
  - The State budget for the CSU is the same as in the compact but
    was 51 days late and the State budget will now have a deficit of
    about $2B.
II. Action Items
(See September 21, 2007 Agenda packet for these documents)

Dr. Armiñana mentioned that this resolution has been updated to reflect the current officers of the SSUAF. Approval would place Ms. Patricia McNeill as the new President of the Foundation.

Motion: Approval of Resolution Granting Authority to Corporate Officers - appointing Ms. Patricia McNeill as President of Foundation

Action: Unanimously approved.

Ms. Letitia Coate described a couple of changes that have been made to the SSUAF Investment Policy per recommendation of the Finance Committee. On page three, additions to the endowment now are unitized on a monthly basis as opposed to quarterly in order to comply with an audit comment. On page five, the Multi Strategy Bond Fund with the Commonfund has been added as an additional investment vehicle for CRT assets.

Motion: Approval of Revisions to SSUAF Investment Policy per recommendation of Finance Committee

Action: Unanimously approved.

Ms. Coate described the proposed SSUAF General Fund Budget for 2007/08. These figures were compared to the 2006/07 proposed budget and 2006/07 actuals.

The actuals for 06/07 included an additional unexpected revenue source of $30,000, received at the end of the year relating to an insurance refund. This allowed the General Fund balance to grow from the prior year despite substantial legal fees associated with a legal matter for an estate in which
SSU has been named a beneficiary. The ending fund balance on 6/30/07 stands at $155,470 compared to $139,971 on 6/30/06.

The proposed 07/08 budget includes an increase in the contingency fund to $40,000 this year to offset any unexpected costs related to additional legal fees associated with estate beneficiary legal costs. The budget for all other legal fees is set at $30,000. The above proposed expenditure budget is funded from an administrative assessment to the endowment earnings in the amount of $217,800.

Total Revenues are expected to equal total Expenses of $219,800, which would result in the expected ending fund balance for 07/08 to be carried forward from the prior year in the amount of $155,470. It is the intent to increase this fund balance over time to equal at least one year of operating costs.

**Motion:** Approval of General Fund Budget proposal for 2007/08 per recommendation of Finance Committee

**Action:** Unanimously approved.

Mr. Jeremy Olsan, SSUAF Counsel from Anderson, Zeigler, Disharoon, Gallagher & Gray, described the changes to the Northern California Community Loan Fund Agreement. Initially, the Santa Rosa Symphony Association pledged $500,000 for the Green Music Center and signed a use agreement to utilize the GMC for a period of 25 years. The Symphony then applied for a grant from the NCCLF. The NCCLF received funding from the Hewlett Foundation which had specific restrictions on the use of these funds. The Symphony now wishes to substitute the $500,000 from the NCCLF in order to satisfy their pledge agreement. This item was brought to the Board due to one significant item. Should SSU stop using the GMC as a performing arts venue, they could then default on the agreement. Mr. Olsan added that due to the way the agreement has been written, should this scenario occur, it would still be extremely difficult for SSUAF to default. Once the agreement is approved and executed, the $500,000 will be
received by the Foundation. Mr. Michael Sullivan asked if there was any way of relieving the Foundation of this liability and still receive the funds. Mr. Olsan answered no, thus the reason this agreement has been drafted.

**Motion:** Approval of Northern California Community Loan Fund Agreement

**Action:** Unanimously approved.

Mr. Dan Lanahan discussed the Financial Audit, conducted for the third straight year, by Moss-Adams, LLP. The Audit Committee met with Jim Lanzarotta, Partner at Moss Adams, who delivered and reviewed the audited financial statements. Mr. Lanzarotta provided a presentation of the financials for the year ending June 30, 2007.

- SSUAF received an **unqualified opinion**, with no findings or reportable conditions, only recommendations.
- Mr. Lanzarotta discussed the numerous new accounting and auditing standards, areas of audit emphasis, and significant SSUAF events or transactions.
- A review of financial highlights was provided via charts which showed investment returns and the trends in revenues, expenses, gifts, assets, and net assets.
- Mr. Lanzarotta gave thanks to Foundation staff, the Audit Committee and the Board for their help throughout the audit process.

**Motion:** Approval of Financial Audit by Moss-Adams LLP

**Action:** Unanimously approved.
