

Associated Students of Sonoma State University

RESOLUTION

Support of Big Nite

- Whereas The mission of the Associated Students, as a corporation owned and governed by students, is to encourage opportunities to enhance the development of students through leadership participation, community service, social interaction and the development of individual attitudes and values; and
- Whereas The co-curriculum is broader than intellectual supplication to academic curricula; it encompasses social interactions as well; and
- Whereas Astin's Theory of Student Involvement states, "...that students learn more the more they are involved in both the academic and social aspects of the collegiate experience."¹; and
- Whereas Big Nite has been a tradition at Sonoma State University for 15 years; and
- Whereas Big Nite has always had high attendance; and
- Whereas Big Nite 2013 has been the largest Big Nite in its history at Sonoma state with an estimated 5,000 students in attendance; and
- Whereas Big Nite 2013 included club promotions, food, music, games, student DJs, carnival rides, and other epic activities; and
- Whereas The students and staff that organized and hosted Big Nite worked incredibly hard to bring the students of Sonoma State University such an amazing event.

Therefore let it hereby be resolved that the Associated Students commend the hard work of all students and staff responsible for organizing Big Nite; and

Let it further be resolved that the Associated Students of Sonoma State University fully support Big Nite and all its awesomeness.
