What’s the difference of a B.A. versus B.S.

**BA**
- Breadth
- Greater flexibility
  - sample other courses
  - minor/certificate
  - second major
  - foreign study

**BS**
- Focus
- Greater focus
  - major courses
  - support (physical sci. & math) courses

**Academics**

**Career**
- Different Strengths
  - Skills
    - analytical
    - practical
    - Detailed knowledge
  - General knowledge

Both allow continued education
Certificate/Graduate/Professional schools
