SSU Entrepreneurial Activities & Campus Life
Graphic Designer

SSU Entrepreneurial Activities & Campus Life is looking for a Graphic Designer to bring energy and originality to its many on-campus departments. This position works closely with a full time graphic designer to conceptualize materials and ensure continuity across all platforms, including print and digital. You will be designing small print flyers, digital advertisements, large format event banners and more, all seen by the campus community!

The Graphic Designer will be responsible for the following:

- Design of marketing print collateral (flyers, brochures, menus, posters, banners, etc.)
- Design of marketing digital collateral (digital signage, web graphics, etc.)
- Develop and maintain brand identities including logo design and giveaway items (t-shirts, cups, car chargers, etc.)
- Carrying out projects from conceptualization to end product
- Work on additional projects as assigned

Qualifications:

- Knowledgeable of Adobe Creative Suite (Photoshop, Illustrator, InDesign; After Effects a plus)
- A strong, curated creative portfolio
- Strong understanding of fundamental design principles, including color, space, and typography
- Comfortable with handling multiple projects in a fast-paced environment
- Great at keeping up-to-date on design styles and trends
- Desire to expand skillset and gain real-world working experience
- Experience with photography is desired

Additional Information:

- Average hours: 16-20 hours per week
- Starting Wage: $10.00
- Work Location: Entrepreneurial Administrative Offices, 3rd floor of the Student Center
- Office Operating Hours: Mon – Fri: 8:00am – 4:30pm, note: some hours outside of office hours will be needed to attend campus events for photos

How to Apply:

Apply through Seawolf Jobs with a cover letter and resume to Job ID #: 22116 or email a cover letter and resume to Remy Williams at remy.williams@sonoma.edu. Please provide a portfolio of your graphic work.
