

Information Workshops

*Sponsored by the Credentials Office
Sonoma State University School of Education*

Thinking about becoming a teacher? Don't know where to start?

The Credentials Office is offering monthly information workshops. Come and learn about our basic teaching credential programs. Application packets, test information, deadlines, and advising information will be available. Registration is not required. Just show up!

2019 Workshop Schedule

All workshops begin promptly at 4:30 p.m.

Please note: Workshops are not offered on dates with noted holidays (*)
