MS-CES Demonstration Evaluation

This form is a tool to evaluate your progress. The faculty advisor must complete this form. You must demonstrate the working project to the faculty. No videos please!

Name of the student: ______________________________

Title of the Project: ______________________________

Faculty Advisor: ____________________________ Date _________

Please provide your feedback regarding the following:

1. Is the project on track and does it reflect the original plan?

2. How do you describe the overall progress of the project?

3. Is the demonstration repeatable?

4. Do you have any feedback for the student?
