Intensive English and Academic Programs

Sonoma State University
Study in beautiful Northern California

At Sonoma State University, the country’s richest resources are at your doorstep.

We’re just an hour’s drive from the Golden Gate Bridge, night life, arts, sports and culture of San Francisco.

Surrounded by the golden hills, green vineyards, redwood forests and historic towns of California’s wine country.

25 miles from California Pacific beaches, and two hours from Silicon Valley.

Why Sonoma State University?

Perfect location – In the heart of Sonoma County, 50 miles north of San Francisco

Wonderful climate – Daytime temperatures average 27°C in the summer and 12°C in the winter

Friendly campus – Diverse student population with an emphasis on community building and leadership development

Green Music Center – Blending world-class performances with educational opportunities, the Green Music Center houses an acoustically perfect concert hall

Recreation Center – Try out the climbing wall, fitness classes, or meet friends in the game room

Student Center – A focal point of student life, dining, relaxing or enjoying events

Great faculty – Our faculty are highly accomplished and student centered

We are green – SSU is known as a model for sustainability in building, teaching and planning
