

CFS 9.2 Maintenance Pack 3.0 upgrade – HOME PAGE

How to access the Classic Home look within CFS

When you first login to the new CFS your menu will look like:

Click on the  icon on the far right of the toolbar

The NavBar will appear on the right side of your screen

Click on the Classic Home icon – at the bottom of the NavBar menu

This should change your layout to a more familiar feel:

All your favorites should still be there

Excited to check out this new look before we go live on 4/30/18? If yes, see page 2 for navigation to the test database.

Common Financial System (CFS)

The Common Financial System, referred to systemwide as the CFS, replaced the California State University PeopleSoft Finance 9.0 environment in July 2011. CFS was instituted in an effort to achieve database consolidation across all campuses.

Please utilize the CFS 9.2 and Data Warehouse 11G Training materials available in the links provided below.
