Please use this map to assist you in locating parking during move-in weekend.

Areas adjacent to residential buildings are designated 15-minute loading only. Signs have been placed in these areas to specify where parking is restricted to loading only. Such areas are designated in RED on this map. Please assist your fellow residents by observing posted time limits. These areas will be monitored and residents and family/friends will be expected to follow these rules.

Once you have unloaded and if you are in the 15 minute zone, please move your vehicle to either parking Lot A, J, or F. There are very limited spaces in the lots around the perimeter for longer term parking during Saturday’s move-in. We would suggest limiting the number of vehicles you bring to campus.

Additional Parking Information:

- Parking Lot A is reserved and all vehicles must be moved by Monday morning.
- Parking is permitted in designated spaces only. Parking along curbs, walkways, sidewalks or roadways is prohibited.
- All regulations regarding disabled parking will be enforced during move-in weekend and at all other times. Parking is disabled spaces requires a disabled placard or plate.
- Please bring a dolly or hand cart to assist with your
