Jaimie Ramirez came to SSU and TRiO SSS as a Freshman in August 2016. She is graduating with a BA in Spanish and minor in Linguistics in May 2019. As a first-generation college student, Jaimie has developed her own system for researching and applying for scholarships. As a result, she has won scholarships that have covered her tuition for the past two years! She will continue her academic journey next fall at the University of Massachusetts Amherst in the Accelerated Bachelor of Science Nursing program.
