Sustainability Workshop
Thursday, October 23, 5:00-6:50 p.m.
Ballroom C/D, Student Center (3rd floor)

How Germany has gone GREEN: A Role Model for the Future?

Johannes Weber, University of Mainz/Germany
Fulbright Language Teaching Assistant

Participants will learn about Germany's renewable energy projects and policies, and also discuss energy use in daily life in different countries.

Supported by the Hutchins Dialogue Center, Department of Environmental Studies & Planning, Department of Modern Languages and Literatures, Office of Residential Life, and the SSU German Club.
