

## FOREIGN TRANSCRIPT EVALUATION

Individuals who have completed university coursework at an institution in a country other than the United States must obtain a complete evaluation of foreign transcripts, degrees and other relevant documents through a transcript evaluation service prior to application to a nursing program.

These organizations are private enterprises which charge a fee for their services. Individuals pursuing a foreign transcript evaluation must follow the procedures outlined by the organization providing the evaluation. **In all instances, original, official documentation will be required when requesting the evaluation.**
