How To Make a Semester Payment

ATI makes easy for students to make semester payments online.

To Make a Semester Payment:

- In order to make a semester payment, you must have an ATI Account. Navigate to atitesting.com and sign-in using your ATI Username and Password.
- Once you are on your Student Home page, click on the “Payments tab”.
- This will take you to the following screen.

- Enter the payment code and class information provided by your institution and click submit.
- You will then be directed to a receipt for your payment. You will also receive an email confirmation of your payment.
