Date of final submission (MM/YYYY) ________

Academic Dept. _________________ Project title ____________________________

Student Agreement

☐ By checking this box and signing the form below, I certify that:

• This is the final version of my research project in electronic format. SSU is granted the non-exclusive right to archive, reproduce, and make accessible worldwide my research project in its entirety, without further authorization from me. I understand that I retain all ownership rights, along with co-authors and funding agencies, if any.

• I retain the right to use my research project in future works (such as articles or books). It is understood that any copying or publication of this work for financial gain shall not be allowed without my further written permission and that any user may be liable for copyright infringement. I require proper acknowledgement of authorship in all instances of reproduction.

• These keywords represent the subject areas covered by my research:
  ○ ______________________________  ______________________________
  ○ ______________________________  ______________________________
  ○ ______________________________  ______________________________

Student name (Print) _____________________________ Date ____________

Student signature______________________________________________________

Faculty advisor (Print) _____________________________ Date ____________

Mail, hand-deliver, or email a scanned, signed version of this agreement to:
