Key Concept #4 Checklist

An instructional plan is presented which includes:

A. General rationale that responds to the following questions:
   - Why did you develop this plan?
   - How does the plan relate to the student’s needs?
   - How does the plan relate to State Standards?

B. Reference to at least one curriculum program that correlates to California State Content Standards.

C. At least two teaching goals (annual goals) associated with the curriculum program.

D. At least three benchmark goals for each teaching goal.
