03.29 President’ Remarks

Dr. Armiñana highlighted the Governor’s Budget compact with the CSU and the Governor’s May revise, which is substantially the same as the budget proposed in January for 04/05. The CSU faces significant cuts in 2004/05. These cuts will have a direct impact on campuses through budget reductions and decreases in enrollment.

Beginning with the 2005/2006 fiscal year, the CSU compact will position the CSU for enrollment growth and gradual funding increases over several years.

Dr. Armiñana updated the Board on the Green Music Center. The bid came in over budget. This is due primarily to the inflated cost of materials and a strong building demand. The project will be redesigned and re-bid.

Dr. Armiñana thanked all the Board members for their contributions during this past year.

The Board unanimously approved the minutes. “Ripoff 101” will be added to Mr. Eckman’s CALPIRG report (agenda item 03.24).

The Bookstore added new graduation item available for 2004 Commencement. It is called the Stole of Appreciation. This is a navy blue stole that is worn with regalia. It is decorated with the beautiful Sonoma State Seal. The Stole of Appreciation can be used in two ways. The first idea is to write something very special on the stole, wear it in the ceremony and then present it to someone that you feel you want to thank. Another way that the stole can be used is to have all the people who made Sonoma State a special place for you sign it and then keep it as a nostalgic piece.

The Textbook order flow for Fall 2004 from faculty is 52% lower than Fall of 2003. The Bookstore staff is proactively working with the Deans, School Administrative Coordinators, departments and faculty in an effort to increase the textbook orders. This low response will have a negative impact on students as they return their books for buy-back.

The Campus Author events during April were very successful. Thanks were given to the Schulz Information center staffers; Shannon Wesley and Karen Broadsky. Marcia Harrigan was acknowledged as the Bookstore’s newest employee.
The Bookstore is excited about offering Pacific Theater movie tickets. At the beginning of May the Bookstore began offering Group Activity Tickets (GAT) and Gift Books.
