** Students seeking an Initial Multiple Subject, Single Subject, or Special Education teaching credential (preliminary, clear, Level I, or Level II) admitted to a credential program with classified or conditionally classified status.

### Nonresident Students (U.S. and Foreign)

Tuition is not charged to legal residents of California; however, nonresidents and foreign visa students are required to pay tuition in addition to fees charged to all students.

Tuition for Nonresident students in addition to registration fees:

- Charge Per Unit $339

The total nonresident tuition paid per term will be determined by the number of units taken. The maximum nonresident tuition per academic year (as of 2005-06) is $10,170.

Mandatory systemwide fees are waived for those individuals who qualify for such exemption under the provisions of the California Education Code (see section on fee waivers).

Nonresident students are eligible for an installment payment plan. There is a 15% service fee on the plan. Contact the Customer Services Office for details.

* Fee rates for the 2006-07 academic year are based on fee rates proposed in the Governor’s Budget. The governor bought out fee increases approved by the CSU Board of Trustees at its October meeting and maintained CSU fee rates at 2005-06 levels. The cost of this fee buy-out is $54.4 million. The fee rates included in the governor’s budget proposal must be approved by the legislature; consequently it is possible that fee rates ultimately required for the 2006-07 academic year may be more than the rates published at this time. The Board of Trustees has approved the fee increases for 2006-07 that are 8% above fee rates charged to undergraduate students in 2005-06 and 10% above fee rates that were charged to students enrolled in teacher credential programs and graduate/postbaccalaureate programs in 2005-06.

**Miscellaneous Fees**

For other fees and charges, consult the current Schedule of Classes. Deposits for locker keys and breakage are required in some laboratory courses. These deposits are refundable in whole or in part. If deposits are not required, charges may still be made for undue breakage or failure to clear lockers and/or return keys. In addition, fees are required for miscellaneous expenses in some courses, as indicated in catalog course descriptions, and for field trips.

A fee of $25 per semester is charged for use of music department instruments and equipment. In addition, a deposit of $20 is required for each instrument checked out for each semester. The deposit will be refunded with the return of the instrument.

**Credit Cards**

VISA, MasterCard, American Express, and Discover cards may be used for payment of student fees.

**Refund of Fees Including Nonresident Tuition**

Regulations governing the refund of mandatory fees, including nonresident tuition, for students enrolling at the California State University are included in Section 41802 of Title 5, *California Code of Regulations*. For purposes of the refund policy, mandatory fees are defined as those systemwide fees and campus fees that are required to be paid in order to enroll in state-supported academic programs at the California State University. Refunds of fees and tuition charges for self-support programs at the California State University (courses offered through extended education) are governed by a separate policy established by the University.

In order to receive a full refund of mandatory fees, including nonresident tuition, a student must cancel registration or drop all courses prior to the first day of instruction for the term. Information on procedures and deadlines for canceling registration and dropping classes is available from Admissions and Records, Ruben Salazar Hall 2030, and in the *Schedule of Classes*.

For state-supported semesters, quarters, and non-standard terms, or courses of four (4) weeks or more, a student who withdraws during the term in accordance with the University’s established procedures will receive a refund of mandatory fees, including nonresident tuition, based on the portion of the term during which the student was enrolled. No student withdrawing after the 60 percent point in the term will be entitled to a refund of any mandatory fees or nonresident tuition.

For state-supported semesters, quarters, and non-standard terms, or courses of less than four (4) weeks, no refunds of mandatory fees and nonresident tuition will be made unless a student cancels registration or drops all classes prior to the first day in accordance with the University’s established procedures and deadlines.

Students will also receive a refund of mandatory fees, including nonresident tuition, under the following circumstances:

- The course for which the tuition and mandatory fees were assessed or collected was cancelled by the University;
- The University makes a delayed decision that the student was not eligible to enroll in the term for which mandatory fees were assessed and collected, and the delayed decision was not due to incomplete or inaccurate information provided by the student; or
- The student was activated for compulsory military service.

Students who are not entitled to a refund as described above may petition the University for a refund demonstrating exceptional circumstances, and the chief financial officer of the University, or designee, may authorize a refund, if he or she determines that the fees and tuition were not earned by the University.

Information concerning any aspect of the refund of fees may be obtained from the Senior Director for University Business Services.

**Customer Services Center**

**Salazar Hall**

(707) 664-2308

The following student-related functions are found in the Customer Services Center:

- Enrollment and Housing Deposits
- Registration fee payments
- Miscellaneous course fee payments
- WEPT and other test fees
- Equipment fees
- Requests for refund of fees
- Sale of parking decals
- Parking citation payments
- Housing room and board payments
- Issuance of campus keys
- Lost and found
- Paycheck pick-up
- Financial aid check disbursement
- Clearance of financial holds
- Routine maintenance requests for dorm students
- I.D. Card issuance and validation
- University-related notary services
- Travel reimbursement for students appointed to systemwide committees

The Customer Services Center is open extended hours, including evenings, when classes are in session. Refer to the current Schedule of Classes for hours of operation.
Fees and Debts Owed to the Institution

Should a student or former student fail to pay a fee or a debt owed to the institution, the institution may "withhold permission to register, to use facilities for which a fee is authorized to be charged, to receive services, materials, food, or merchandise, or any combination of the above from any person owing a debt" until the debt is paid (see Title 5, California Code of Regulations, Sections 42380 and 42381).

Prospective students who register for courses offered by the University are obligated to pay fees associated with registration for those courses. Failure to cancel registration in any course for an academic term prior to the first day of the academic term gives rise to an obligation to pay student fees including any tuition for the reservation of space in the course.

The institution may withhold permission to register or receive official transcripts of grades or other services offered by the institution from anyone owing fees or another debt to the institution. If a person believes he or she does not owe all or part of an asserted unpaid obligation, that person may contact the business office. The business office, or another office on campus to which the business office may refer the person, will review all pertinent information provided by the person and available to the campus and will advise the person of its conclusions.

Fee Waivers

The California Education Code includes provisions for the waiver of certain mandatory systemwide fees as follows:

Section 66025.3 - Qualifying children, spouses, or unmarried surviving spouses of a war period veteran of the U.S. military who is totally service-connected disabled or who died as a result of service-related causes; children of any veteran of the U.S. military who has a service-connected disability, was killed in action, or died of a service-connected disability and meets specified income provisions; qualifying dependents of a member of the California National Guard who in the line of duty and in active service of the state was killed or became permanently disabled, or died of a disability as a result of an event while in active service of the state; and undergraduate students who are the recipient of or the child of a recipient of a Congressional Medal of Honor and meet age and income restrictions;

Section 68120 - Children of deceased public law enforcement or fire suppression employees who were California residents and who were killed in the course of law enforcement or fire suppression duties (referred to as Alan Pattee Scholarships); and

Section 68121 - Student enrolled in an undergraduate program who are the surviving dependent of any individual killed in the September 11, 2001, terrorist attacks on the World Trade Center in New York City, the Pentagon building in Washington, D.C., or the crash of United Airlines Flight 93 in southwestern Pennsylvania, if the student meets the financial need requirements set forth in Section 69432.7 for the Cal Grant A Program and either the surviving dependent or the individual killed in the attacks must have been a resident of California on September 11, 2001.

Students who may qualify for these benefits should contact the Admissions and Records Office for further information and/or an eligibility determination.

Procedure for the Establishment or Abolishment of a Student Body Fee

The law governing the California State University provides that fees defined as mandatory, such as a student body association fee and a student body center fee, may be established. A student body association fee must be established upon a favorable vote of two-thirds of the students voting in an election held for this purpose (Education Code, Section 89300). A student body center fee may be established only after a fee referendum is held which approves by a two-thirds favorable vote the establishment of the fee (Education Code, Section 89304). The student body fee was established at Sonoma State University by student referendum on May 2, 1980. The campus President may adjust the student body association fee only after the fee adjustment has been approved by a majority of students voting in a referendum established for that purpose (Education Code, Section 89300). The required fee shall be subject to referendum at any time upon the presentation of a petition to the campus President containing the signatures of 10 percent of the regularly enrolled students at the University. Once bonds are issued, authority to set and adjust student body center fees is governed by provisions of the State University Revenue Bond Act of 1947, including, but not limited to, Education Code, sections 90012, 90027, and 90068. Student body association fees support a variety of cultural and recreational programs, childcare centers, and special student support programs.

The process to establish and adjust other campus-based mandatory fees requires consideration by the campus fee advisory committee and sometimes a student referendum. The campus President may use alternate consultation mechanisms if he/she determines that a referendum is not the best mechanism to achieve appropriate and meaningful consultation. Results of the referendum and the fee committee review are advisory to the campus President. The President may also request the Chancellor to establish the mandatory fee.

Average Support Cost Per Full-time Equivalent Student and Sources of Funds

The total support cost per full-time equivalent student includes the expenditures for current operations, including payments made to students in the form of financial aid, and all fully reimbursed programs contained in state appropriations. The average support cost is determined by dividing the total cost by the number of full-time equivalent students (FTES). The total CSU 2005/06 final budget amounts were $2,615,120,000 from state General Fund appropriations (not including capital outlay funding), $1,003,659,000 from State University Fee Revenue, $393,418 from other fee revenues, and reimbursements for a total of $4,012,095,000. The number of projected 2005/06 full-time equivalent students (FTES) is 332,223.
The number of full-time equivalent students is determined by dividing the total academic student load by 15 units per term (the figure used here to define a full-time student’s academic load).

The 2005/06 average support cost per full-time equivalent student based on General Fund appropriation and State University Fee revenue only is $10,884 and when including all sources as indicated below is $12,077. Of this amount, the average student fee support per FTE is $3,021, which includes all fee revenue in the state higher education fund (e.g. State University Fee, nonresident tuition, application fees, miscellaneous course fees).

\(^1\)Student fee support represents fee revenue deposited in the State Treasury/state higher education fund. The average CSU 2005/06 academic year resident undergraduate student fees required to apply to, enroll in, or attend the University is $3,164. However, the costs paid by individual students will vary depending on campus, program, and whether a student is part-time, full-time, resident, or nonresident.

### Financial Aid and Scholarship Programs

**Financial Aid Office**
Salazar Hall
707 664-2389
Fax 707 664-4242
www.sonoma.edu/FinAid

By contacting the Financial Aid Office staff and accessing the office’s website, students and their families can find out about federal and state financial aid programs and, if eligible, be awarded monetary assistance to meet the costs of attending Sonoma State University.

The staff is committed to providing each applicant with timely and efficient customer service, as well as ensuring that students have access to current and accurate information about the steps and deadlines for completing the financial aid application process.

### Financial Aid Programs

Financial aid can be in the form of grants, loans, employment, and scholarships. Students may receive assistance from the following programs:

**Federal Aid**
- Federal Pell Grants
- Federal Supplemental Educational Opportunity Grants
- Bureau of Indian Affairs Grants
- Federal Work Study
- Federal Perkins Loans
- Federal Direct Student Loans
- Federal Direct Parent Loans for Undergraduate Students

**State Aid**
- Cal Grants A, B, and T
- Child Development Teacher Grants
- Alan Pattee Scholarships
- Assumption Program of Loans for Education
- Graduate Assumption Program of Loans for Education
- Robert C. Byrd Honors Scholarships
- Educational Opportunity Program Grants
- Graduate Equity Fellowships
- State University Grant

The Financial Aid Office has developed an informative and supportive website where students can find descriptions and specific eligibility requirements for the programs listed above. Students are encouraged to visit links provided on the website, to apply online, and to review the most recent edition of the California Student Aid Commission’s *Funding Your Future Workbook* and the U.S. Department of Education’s *The Student Guide*.

### Additional Work Opportunities

Employment is generally available in Sonoma County and the surrounding University service area to students with ability and initiative. The Career Services Center in Salazar Hall can be helpful in referring interested students to part-time job opportunities.

### Application Procedures

All new and continuing financial aid applicants are required to complete and submit the Free Application for Federal Student Aid (FAFSA). By submitting this single application, applicants will be considered for most of the federal and state financial aid programs that are listed above (excluding BIA and non-FWS employment). New applicants for Cal Grants must also file a California Student Aid Commission GPA Verification Form. The FAFSA asks for confidential information about family income, assets, household size, etc., which is used by the financial aid office to establish financial need and determine what aid, if any, the student is eligible to receive. The FAFSA is available at high schools and universities in early December. Applicants are encouraged to access an electronic version of the FAFSA at www.fafsa.ed.gov and to apply as early after January 1 as possible. Those who apply in January will have first priority to the available funding. To be considered for priority filing, you must file your application by March 2.
The Financial Aid Office expects the student and the student's family to make every effort possible to finance the student's education. Students who do not meet the federal definition of financial independence from their parents must provide parental financial data. This information, in addition to the student's own resources, will be taken into consideration when determining a student's eligibility for the various aid programs administered by the University. The student's financial need is determined by subtracting those resources available for education from a standard student budget.

It is toward meeting this need - the difference between costs and resources - that financial aid is directed. Generally, the need is met by a “package” - loan, scholarship, employment, and/or grant. Notification of aid for the following year is sent to each applicant once the FAFSA has been received. This process usually begins in early March.

Questions regarding a student's eligibility or types of financial aid offered should be directed to the Financial Aid Office. Contact hours, phone numbers, and e-mail addresses are available on the financial aid website at www.sonoma.edu/FinAid/.

University Scholarship Program

The University Scholarship Program at Sonoma State is made possible through the generous support of individuals, businesses, and organizations who recognize the outstanding contributions made by the University and its graduates.

Any incoming freshman, undergraduate, or graduate student planning to attend Sonoma State University full-time beginning in the fall semester, whether entering or continuing, is eligible. Application to, acceptance by, or enrollment in the University is required.

Most University scholarships are awarded on the basis of an applicant's academic record and overall achievements without special consideration of financial need. A minimum cumulative GPA of 3.00 on a 4.00 point scale is required. Students with a GPA of 3.5 or higher are most competitive in our program.

Applications of candidates are reviewed by the University Scholarship Committee. The committee asks each applicant to submit a personal narrative and two letters of recommendation, in addition to the basic scholarship application form.

Scholarship applications are available beginning September 15 each year. Applications and required materials must be received or postmarked by January 15. Students interested in applying for any of the awards offered through the University Scholarship Program may obtain an application form by:

1. downloading the application from the Scholarship Office website: www.sonoma.edu/scholarship;
2. e-mailing the Scholarship Office at scholarships@sonoma.edu;
3. contacting the Scholarship Coordinator in Salazar Hall 1010;
4. calling (707) 664-2261;
5. faxing a request to (707) 664-4410.

President's Scholar Program

In addition to the University Scholarship Program, Sonoma State also guarantees a $1,000 President's Scholar Scholarship for incoming first-time freshmen who have a weighted cumulative 4.00 GPA for their sophomore and junior years and the first semester of their senior year. The GPA calculation does not include P.E. courses, but does allow for “weighting” of honors, advanced placement and/or international baccalaureate courses, according to the high school's policy. Please contact the Scholarship Office by phone, e-mail, or fax for more information.

Alan Pattee Scholarships

Children and spouses of deceased public law enforcement or fire suppression employees who were California residents and who were killed in the course of law enforcement or fire prevention or suppression duties are not charged mandatory systemwide fees (state university fee and application fee) at any California State University campus, according to the Alan Pattee Scholarship Act, Education Code, Section 68120. Students qualifying for these benefits are known as Alan Pattee scholars. For more information, contact the Office of Admissions for an eligibility determination.

Departmental and Athletic Scholarships

Many departments at SSU offer scholarships to students within their majors. Athletic scholarships are also given. Contact your department or respective coach for more information.

External Scholarships

Community, social and service groups, employers, churches, and other organizations often provide scholarships. Applicants should check with their high school counselors or local foundations and community groups for more information.

Note: Receipt of any scholarship may affect eligibility for certain financial aid. Recipients should check with the Financial Aid Office to determine their options.

Appeals

Students have the right to appeal their financial aid award or any other financial aid decision that they feel affects them adversely and that falls outside of the jurisdiction of federal, state, or chancellor's office regulations. This right includes answers to questions, explanations of financial aid policies and procedures, and a request for reconsideration. The initial appeal is made in writing, with any supporting documents, to the student's financial aid representative. If denied, the student may appeal directly to the director of financial aid, whose decision is final. The director has the option, based on the circumstances of the appeal, to refer the appeal to the Financial Aid Office Exception Processing Review Board for a decision and/or to request advice and direction from the Financial Aid Advisory Committee.

The federal Military Selective Service Act (the “Act”) requires most males residing in the United States to present themselves for registration with the Selective Service System within thirty days of their eighteenth birthday. Most males between the ages of 18 and 25 must be registered. Males born after December 31, 1959, may be required to submit a statement of compliance with the Act and regulations in order to receive any grant, loan, or work assistance under specified provisions of existing federal law. In California, students subject to the Act who fail to register are also ineligible to receive any need-based student grants funded by the state or a public postsecondary institution.

Selective Service registration forms are available at any U.S. Post Office, and many high schools have a staff member or teacher appointed as a Selective Service Registrar. Applicants for financial aid can also request that information provided on the Free Application for Federal Student Aid (FAFSA) be used to register them with the Selective Service. Information on the Selective Service System is available and the registration process may be initiated online at www.sss.gov.
