GENERAL NOTES

1. Keep copies of all emails and live scan receipts.
2. The CTC will issue your Certificate of Clearance online only (it can take up to three months for CTC to receive reports from the FBI and the DOJ and then issue the actual Certificate of Clearance online). To follow the progress of your Certificate of Clearance application or print documentation of the issued Certificate, go to: www.ctc.ca.gov.
3. If you have questions, please telephone the Credentials Office at (707) 664-2832 or email us at credentials.office@sonoma.edu.

When a person applies for a Certificate of Clearance or a credential via the California Commission on Teacher Credentialing (CTC), a thorough background check is performed by the CTC. In some cases, if an applicant has a previous record, the CTC requests additional documentation before a Certificate of Clearance or credential can be granted. This may result in an applicant appearing on a Notice of Delay list. The policy below describes the implications appearing on such a list would have on a School of Education student.

If you have a previous record and would like to discuss the clearance process prior to applying for your Certificate of Clearance, please contact our office at credentials.office@sonoma.edu or 707-664-2832.

Notice of Delay Policy

When students in our programs are placed by CTC’s Professional Practices Division on a Notice of Delay list, they will be immediately placed on a leave of absence from our program (not necessarily removed from the program) until the issue that placed them on the Notice of Delay list is resolved. Individuals on a Notice of Delay list, by law, are not allowed to participate in pk-12 classrooms.

Students on a Notice of Delay list are not allowed to continue in coursework, field related or not, until the Division of Professional Practices has made a determination about their status. Should a student appear on a Notice of Delay list, he or she must immediately contact the appropriate department chair in the School of Education to address this issue.

If a student is removed from courses and he or she is otherwise making satisfactory progress in the program, the withdrawal will be grade neutral (w); fees will not be refundable under this type of withdrawal unless otherwise allowed by University policy. If a school district continues to allow a student on a Notice of Delay list to participate in a pk-12 classroom, as an intern, substitute teacher or in any other capacity, it is clear that the student will be under the responsibility of the school district and not Sonoma State University.

Important: *Being placed on a leave of absence from the School of Education does not equal being on a leave of absence from the University. If an enrolled student does not resolve a Notice of Delay issue & re-enrolls within 1 semester after being removed from coursework, he or she will need to reapply for University admission in order to register for courses in a subsequent semester.*
