

How To Request A Transcript

Transcripts are free and are processed on a first-in, first-out basis. We do not provide "Rush" or "Next Day" service. The normal turn-around time for processing is five (5) to ten (10) working days from the date we receive your request in our office. However, during busy periods (December – February, and May – July) processing time may take longer due to the high volume of requests. Transcripts must be requested well in advance to meet deadlines.

Please send the following information to Admissions and Records:

- all names you have used, including maiden name
- social security number

- name and address of where you wish them sent
- your address in case request needs to be returned
- whether you wish us to hold for final grades, changing a grade, or the posting of a degree
